Enclosed is a check for the regulatory assessment fee (RAF) for 1999. Per a discussion with Paula Isler, we have sent \$67.00, which should cover the RAF along with accumulated penalties and interest. Please accept our sincere apology for this late payment. We have taken steps internally, as well as with our authorized agent in Florida to help prevent this from happening again.

While we do not have business in Florida at this time, we do want to keep our Certification in good standing. Our understanding is that a fine is mandatory for this rule violation. Our proposal would be a fine in the amount of \$250, which would be due immediately. Also, I would ask that all future correspondence be sent specifically to my attention. Please contact me if you have any further questions on this matter.
