Agenda Item No. 35 - Request for a deferral from the October 17, 2000 Agenda Conference

Staff is requesting deferral of Item No. 35 from the October 17, 2000 Agenda Conference to modify the issue and recommendation statement to be consistent with the rule and the Commission's past practices. The current recommendation statement is not the Commission's most recent practice and staff believes deferring the recommendation until the Commission's next agenda conference will be the most prudent manner to handle the necessary changes.
