Docket No.: 001064-EI

Submitted for Filing: October 18, 2000

**NOTICE OF INTENT TO REQUEST CONFIDENTIAL CLASSIFICATION**

Florida Power Corporation ("FPC" or the "Company"), pursuant to Section 366.093, Fla. Stats., and Rule 25-22.006, F.A.C., files this notice of intent to request confidential classification for certain documents produced by FPC in response to Staff's Request for Documents to FPC in this docket. Accordingly, FPC hereby submits the following:

1. A separate, sealed envelope containing one copy of the confidential documents produced by FPC in response to Staff's Request to Produce, with appropriate pages or lines containing confidential information highlighted (some of the confidential information is subject to FPC's first Request for Confidential Classification filed with the Commission in this docket on August 7, 2000). **This information should be accorded confidential treatment pending the filing of FPC's third request for confidential classification and a decision on FPC's request by the Florida Public Service Commission.**

2. Fifteen copies of the confidential documents responsive to Staff's Request for Documents to FPC, with the information for which FPC intends to request confidential classification redacted by page, or line, where appropriate (for example, in place of certain pages in the documents which would contain nothing but blank pages if FPC's proprietary, confidential business information was redacted, FPC has included a single page for the confidential classification).

**This docketed notice of intent was filed with Confidential Document No. 13238-00. The document has been placed in confidential storage pending timely receipt of a request for confidentiality.**
