Re: Docket No. 000824-EI;
Request Confidential Classification.

Dear Ms. Bayó:

The Request for Confidential Classification filed yesterday, October 16, in the subject docket inadvertently contained several sheets after the signature page that are unrelated to the Request and should not be included. (The copies served on the parties did not include these additional sheets). The Request properly consists of pages 1-4 and all pages that follow should be discarded.

I apologize for any inconvenience this error may have caused. Thank you for your assistance in rectifying this matter.

Very truly yours,

James A. McGee
