Dear Mr. Vaccaro:

On behalf of the Board of Directors of the Key West Chamber of Commerce, I would like to take this opportunity to thank you for taking time out of your busy schedule to meet with me during my trip to Tallahassee.

We in the Florida Keys and Key West are very concerned about the future direction of the area code issue, 7 digit dialing, and one calling rate center for all of the Florida Keys. As you are aware, we are a tourist destination and it would be very difficult for our business economy to have two or three area codes in our small County. The citizens of Monroe County as well as the Key West Chamber of Commerce are committed to the resolve of this issue with the outcome of one area code.

I am available at any time to discuss this issue either via phone or in Tallahassee and also to offer alternatives and solutions. If I may be of assistance, please do not hesitate to contact my office.

Very truly yours,
