RE: Docket No. 000888-TP - Request by BellSouth  
 Telecommunications, Inc. for approval of paging agreement  
 with Superbeepers Electronics, Inc.

At the September 26, 2000, Agenda Conference, the Commission approved the paging agreement as a Consent Agenda Item in the above mentioned docket. Since the vote, however, staff has determined that technicalities exist within the agreement that require further review. Staff will be filing a recommendation for the November 7, 2000, Agenda Conference to address action to be taken in light of this determination.

For the reason described above, the Order approving the paging agreement due to be filed on October 16, 2000, will not be issued. Upon the disposition of this matter on the November 7 Agenda, an order consistent with the Commission's decision will be issued.

Should you have any questions concerning this memorandum, please contact Wayne Knight.
