Re: Docket No. 000954-TC

Dear Mr. Fisher:

This is a follow up to our telephone conversation concerning the above docket, which was opened for nonpayment of the regulatory assessment fee (RAF). The RAF is due each year by January 30 for the previous year, unless the 30th falls on a weekend, then the due date is the next working day. For example, the 1999 fee was due January 31, 2000.

Commission records show that as of this date, the 1999 RAF has not been paid. The 1999 RAF return is attached. Please complete and return it along with a check for the past due amount in full. The RAF is .0015% of the company's total Florida gross revenues, or \$50.00, whichever is greater. However, if J.K. Miami owes only the minimum amount and if the check is postmarked by October 27, the 1999 minimum total is \$67.00 (\$50.00 fee, \$12.50 penalty, and \$4.50 interest). If the company's check is postmarked between October 28 and November 26, the interest increases to \$5.00, or a \$67.50 total minimum amount. Our records also show that J.K. Miami Corp. has a penalty and interest balance in the amount of \$4.36 from prior years that needs to be paid. A breakdown is attached.

On September 26, 2000 Order No. PSC-00-1743-PAA-TC was issued, which imposed a

Re: Docket No. 000954-TC

Dear Mr. Fisher:

This is a follow up to our telephone conversation concerning the above docket, which was opened for nonpayment of the regulatory assessment fee (RAF). The RAF is due each year by January 30 for the previous year, unless the 30th falls on a weekend, then the due date is the next working day. For example, the 1999 fee was due January 31, 2000.

Commission records show that as of this date, the 1999 RAF has not been paid. The 1999 RAF return is attached. Please complete and return it along with a check for the past due amount in full. The RAF is .0015% of the company's total Florida gross revenues, or \$50.00, whichever is greater. However, if J.K. Miami owes only the minimum amount and if the check is postmarked by October 27, the 1999 minimum total is \$67.00 (\$50.00 fee, \$12.50 penalty, and \$4.50 interest). If the company's check is postmarked between October 28 and November 26, the interest increases to \$5.00, or a \$67.50 total minimum amount. Our records also show that J.K. Miami Corp. has a penalty and interest balance in the amount of \$4.36 from prior years that needs to be paid. A breakdown is attached.

On September 26, 2000, Order No. PSC-00-1743-PAA-TC was issued, which imposed a \$500 fine for violation of the RAF rule. The company had until October 17 to protest the Commission's decision. No timely protest was received. At this point, this leaves the company with only two options.

- (1) Do nothing - In this case, the company's certificate will be cancelled on the Commission's own motion. All outstanding RAFs, including penalty and interest charges, will be turned over to the Comptroller's Office for collection. In addition, Rule 25-24.511(5), F.A.C., states that "Only one certificate per applicant will be granted. A new certificate will not be

granted to any applicant who has previously had a certificate involuntarily cancelled." This means that if the company chooses this option, J.K. Miami could not reapply for a new certificate at a later date.

- (2) Pay the past due amount and \$500 fine - If the company wishes to keep its certificate active, the company needs to pay the past due amount in full and the \$500 fine within five days from the date the Consummating Order is issued. The Consummating Order is due to be issued by October 21, 2000.

Any correspondence and the company's check should be made out to the Florida Public Service Commission and mailed to Ms. Blanca Bayó, Director, Division of Records and Reporting, Florida Public Service Commission, 2540 Shumard Oak Blvd., Tallahassee, FL 32399-0850. According to the Order, the check and/or correspondence should identify the company name and the docket number.
