RE: DOCKET NO. 001471-TX

Dear Ms. Bayo:

This is in response to a notification of possible cancellation of Southeastern Services, Inc. certification due to non-payment of our 1999 Regulatory Assessment Fee covering January 1, 1999 through December 31, 1999.

We mailed the Alternative Local Exchange Company Regulatory Assessment Fee Return on March 9, 2000, but did not include the \$50.00 fee. We determined, from the attached instructions we received from the FPSC, that no money was due, since there was no revenue for November and December of 1999. We were a new CLEC at the time and made all efforts to complete the form according to the instructions we received from Mr. Frank Harrison.

Future late payments of the regulatory assessment fees will be avoided since we now have the correct information necessary to complete the form and submit the correct amount due.

We request leniency by the Commission regarding the fine, due to the fact this was our first filing as a new CLEC and the fact we did not understand there was a minimum fee due with the return. Since it is clearly our error, we will pay whatever fine the commission deems as fair and equitable.

We have attached a check for \$67.00. Please be assured that in the future, this fee will be paid when due.

Sincerely,

Mark Woods
President
