Re: Expiration date extension

The extension request for NXXs in NPA 786 and NPA 321 is no longer necessary.

The intent was to have the site up and running because of customer demand. This demand was changed and will not be needed until the second quarter of 2001.

Maintaining the assigned NXX until that time frame would put an undue burden on the availability of NXXs in those areas.

The following NPA/NXXs will be returned to NANPA immediately.

786/ 422, 746, 747, 748
321/ 673, 210, 447, 448
