In re: Petition for Determination)	Docket No. 000442-EI
of Need for Electric Power Plant in)	
Polk County by Calpine Construction)	Filed: October 31, 2000
Finance Company, L.P.)	

**JOINT MOTION OF FLORIDA POWER & LIGHT COMPANY
AND CALPINE CONSTRUCTION FINANCE COMPANY, L.P.
TO EXTEND THE DEADLINE FOR OBJECTING TO CALPINE'S
REQUEST FOR CONFIDENTIAL CLASSIFICATION**

Florida Power & Light Company ("FPL") and Calpine Construction Finance Company, L.P. ("Calpine"), pursuant to Rule 25-106.204, Florida Administrative Code, jointly move to extend the 14 day deadline specified in Rule 25-22.006(3)(a) for filing objections to requests for confidential classifications in formal proceedings and allow FPL an additional fourteen (14) days through November 14, 2000 to reply to Calpine's Request for Confidential Classification filed on October 17, 2000. In support of this joint motion, FPL and Calpine state:

1. FPL has informed Calpine that it is prepared to file an objection to Calpine's request for confidential classification. Calpine has offered to provide FPL access to some of the redacted portions of the MOU. Calpine has also offered to waive the fourteen (14) day deadline in Rule 25-22.006, Florida Administrative Code, for filing an objection.

2. Calpine and FPL have scheduled a meeting on November 2, 2000 at which FPL will be provided access to at least some of the portions of the MOU which Calpine has requested the Commission treat as confidential. FPL and Calpine would like to have the benefit of this meeting and such arrangements as they can make before FPL is required to file its objection.

3. It is conceivable that Calpine and FPL may be able to work out an accommodation which avoids the Commission having to address a contested request for confidential classification. If they can, then the deadline extension being requested will serve to conserve Commission resources and make for a more efficient processing of the case. If FPL and Calpine are not successful in working out their differences, then no prejudice will have been experienced by either party by the requested delay.

4. Counsel for Florida Power Corporation ("FPC") has stated that FPC does not object to the relief requested in this motion and Staff Counsel takes no position on the requested relief.

WHEREFORE, FPL and Calpine jointly move to extend the deadline for filing an objection to Calpine's request for confidential classification from October 31, 2000 through November 14, 2000.

Respectfully submitted,
