Dear Ms. Bayo,

This letter is to inform you of Buy-Tel Communications desire to remain licensed in the state of Florida. I apologize for this fee not being paid on time. Contrary to what you may believe, Buy-Tel has an excellent pay history with all of our vendors. I must say this situation is truly an embarrassment. I offer no excuse other than the fact that internally we thought we had paid it, but actually had paid a bill to the Florida Department of State. We have made adjustments internally to avoid this situation in the future. Enclosed you will find a check for \$67.00 to pay for Buy-Tel's 1999 Regulatory Assessment Fee.

Buy-Tel is willing to pay a \$50 settlement in order to remain licensed in the state of Florida. In 1998 and 1999 we did not have any revenue in Florida. We now have 2 referred customers in Florida and plan to begin advertising for more Florida customers in the next 6 months. It is our prayer that this settlement is acceptable to you.
