NOTICE OF PROPOSED AGENCY ACTION
ORDER APPROVING EXEMPTION FROM REQUIREMENT THAT EACH TELEPHONE
STATION SHALL ALLOW INCOMING CALLS

BY THE COMMISSION:

NOTICE IS HEREBY GIVEN by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

Under Rule 25-24.515(13), Florida Administrative Code, pay telephones must allow incoming calls to be received unless they are located at a confinement facility, hospital, school, or another location specifically exempted by this Commission. Requests for an exemption from this requirement must be accompanied by an attestation by the owner of the pay telephone, the location provider, and the chief of the responsible law enforcement agency that the request is made to deter criminal activity at that pay telephone.

BellSouth Public Communications, Inc. has filed Requests for Exemption from the requirement that each telephone station shall

allow incoming calls from each of the pay telephones listed below. Each of BellSouth Public Communications, Inc.'s request includes an attestation by BellSouth Public Communications, Inc., the location provider, and the chief of police that the request is made in order to deter criminal activity facilitated by incoming calls being received at the pay telephones.

Upon consideration, it appears appropriate to grant BellSouth Public Communications, Inc.'s requests. BellSouth Public Communications, Inc. has demonstrated that these exemptions are in the public interest under Sections 364.01 and 364.3375, Florida Statutes, in an effort to prevent criminal activity. Further, BellSouth Public Communications, Inc. has demonstrated that the enforcement of the incoming call requirement would result in substantial hardship for BellSouth Public Communications, Inc. as the requirement would allow the payphones to be used for continuing criminal activity. Pursuant to Rule 25-24.515(13), Florida Administrative Code, BellSouth Public Communications, Inc. must provide central office based intercept at no charge to the end user and must display a notice on each affected pay telephone stating, "Incoming calls blocked at the request of law enforcement." Pursuant to Rule 25-24.515(13), Florida Administrative Code, the

exemption from the requirement to receive incoming calls shall not exceed a period of two years from the effective date of this Order. The provider may request another exemption by filing another request.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that BellSouth Public Communications, Inc.'s request to block incoming calls at the pay telephones listed in the body of this Order is hereby approved for a period of two years from the issuance date of the Consummating Order. It is further

ORDERED that BellSouth Public Communications, Inc. shall provide central office based intercept at no charge to the end user at the pay telephones where incoming calls cannot be received. It is further

ORDERED that BellSouth Public Communications, Inc. shall display a notice on each pay telephone at which incoming calls are blocked stating, "Incoming calls blocked at the request of law enforcement." It is further

ORDERED that the provisions of this Order, issued as proposed agency action, shall become final and effective upon the issuance of a Consummating Order unless an appropriate petition, in the form provided by Rule 28-106.201, Florida Administrative Code, is received by the Director, Division of Records and Reporting, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, by the close of business on the date set forth in the "Notice of Further Proceedings" attached hereto. It is further

ORDERED that in the event this Order becomes final, this Docket shall be closed.
