Re: Docket No. 000002-EG

Dear Ms. Bayo,

St Joe Natural Gas filed October 11, 2000 the Prehearing Statement for Conservation Cost Recovery for the twelve month period ending December 31, 2001. Because of an error in the first issue's language, St Joe reported a different under-recovery than staff.

SJNG's Issue as reported:

1. What is the appropriate projected end to period total net true-up amount for the period beginning January 1, 2001 through December 31, 2001?

A: An under-recovery of \$24,711.00

Staff's Issue:

1. What is the final end-of-the-period true-up amount for the period April 1999 through December 1999?

A: An under-recovery of \$5,662.

St Joe Natural Gas is in agreement with staff on their issue. If I can be of further assistance, please call.

Thank You,

*Debbie Stitt*
