Re: Docket No. 001222-TI  
Nationwide Communications of Michigan, Inc.  
IXC Certificate No. 3549

Dear Ms. Bayo:

Nationwide Communications of Michigan, Inc. (Certificate No. 3549) has authorized us to propose a settlement offer of \$500 for resolution of Docket No. 001222-TI, regarding outstanding regulatory fees and reports.

As indicated in Nationwide's settlement offer made to this Commission on September 6th in Docket No. 000940-TC, the reason for violation of Rule 25-4.0161, F.A.C., is simply oversight.

Enclosed is a letter from the General Manager of the Company stating their procedures to help prevent the non-payment of regulatory fees in the future.

Please let me know if any additional information is required, or if additional action is necessary in order to stay the Commission proceeding in this docket.

Sincerely,

*Charles J. Pellegrino*

RE: Docket No. 000940-TC - Pay Telephone Certificate No. 3950  
Nationwide Communications of Michigan, Inc. - Company Code TF298

Docket No. 001222-TI - IXC Certificate No. 3549  
Nationwide Communications of Michigan, Inc. - Company Code TI239

Dear Ms. Bayo,

I have been asked to explain Nationwide Communications, Inc.'s failure to pay its regulatory assessment fee. Given the small amount owed (\$50.00), this lapse obviously was not intentional. Indeed, as General Manager, I thought our internal comptroller and external CPA firm provided the company two safeguards against missed filings.

Why they did not remains unclear. I can state that NCI has replaced our comptroller and that we will be replacing our CPA firm once it has discharged its duties with respect to our audited financials. We have made this filing a priority with our current comptroller and have retained CT corporation to centrally handle all such corporate filings. This will not happen again.

Should there be any further questions or concerns please feel free to contact me directly.

Sincerely,

Robert L. Miller Jr.  
General Manager
