Re: Docket No. 000905 Approval of Interconnection Agreement Negotiated by BellSouth Telecommunications, Inc. and Priority Paging, Inc..

Dear Mrs. Bayo:

On July 20, 2000, BellSouth and Priority Paging, Inc. a Commercial Mobile Radio Service provider filed a negotiated interconnection agreement for Florida Public Service commission approval. The subject of the cover letter of the filing was styled as "Approval of the Paging Agreement Negotiated by BellSouth Telecommunications, Inc. ("BellSouth") and Priority Paging, Inc. ---". The cover letter did not correctly present the subject, and a letter was submitted to the Commission October 24, 2000 to correctly style the submittal and Docket Title. However, additional modifications are required to correctly present the subject.

Please use this letter to correctly style the submittal and the Docket title as "**Approval of the One Way Interconnection Agreement Negotiated by BellSouth Telecommunications, Inc. ("BellSouth") and Priority Paging, Inc. pursuant to Section 251, 252 and 271 of the Telecommunications Act of 1996.**" This interconnection agreement pertains to Priority Paging, Inc. as a paging provider.

I would appreciate your assistance in correcting the filing and record in question.

Yours truly,

Regulatory - Vice President
