NOTICE TO CUSTOMERS

On November 7, 2000, the Florida Public Service Commission approved a final settlement of the Limited Rate Proceeding (Docket No. 980242-SU) filed by Lindrick Service Corporation. As a condition of that settlement, Lindrick Service Corporation agreed to withdraw its recently approved water and wastewater price index increases. While the customers received notification that these price index increases were approved, the new rates were never charged to the customers.

With the revocation of the 2000 price index increase, the water rates for service rendered on or after November 9, 1999 and the wastewater rates for service rendered on or after October 25, 1999 will remain in effect.

If you should have any questions, please contact your local utility office. Be sure to have your account number handy for quick reference.
