RE: Docket No. 001373-TP (Item 2M- Consent Agenda) - Request by BellSouth Telecommunications, Inc. for approval of amendment to existing interconnection, unbundling, and resale agreement with GTE Communications.

At the November 7, 2000, Agenda Conference, the Commission approved an amendment to an interconnection, unbundling and resale agreement between BellSouth Telecommunications and GTE Communications (n/k/a Verizon Select Services, Inc.). Since the vote, however, staff has determined that technicalities exist within the agreement that require further review. Staff will be filing a recommendation for the January 2, 2001, Agenda Conference to address the appropriate action to be taken.

For the reason described above, the Order approving the amendment to the interconnection, unbundling and resale agreement due to be filed on November 27, 2000 will not be issued. Upon the disposition of this matter on the January 2, 2001 Agenda Conference, an order consistent with the Commission's decision will be issued.

Should you have any questions concerning this memorandum, please contact Jessica Elliott.
