Re: Docket 001012-TP Approval of an Amendment to the One Way Interconnection Agreement Negotiated by BellSouth Telecommunications, Inc. ("BellSouth") and North American Associates, LTD pursuant to Sections 251, 252 and 271 of the Telecommunications Act of 1996

Dear Mrs. Bayo:

Pursuant to section 252(e) of the Telecommunications Act of 1996, BellSouth and North American Associates, LTD are submitting to the Florida Public Service Commission an amendment to their negotiated agreement for the interconnection of their networks, the unbundling of specific network elements offered by BellSouth and the resale of BellSouth's telecommunications services to North American Associates, LTD. The Commission approved the initial agreement between the companies at the October 17, 2000 Agenda in Docket 001012. This amendment changes the company's name to Action Communication, Inc.

Pursuant to section 252(e) of the Act, the Commission is charged with approving or rejecting the negotiated agreement between BellSouth and North American Associates, LTD within 90 days of its submission. The Act provides that the Commission may only reject such an agreement if it finds that the agreement or any portion of the agreement discriminates against a telecommunications carrier not a party to the agreement or the implementation of the agreement or any portion of the agreement is not consistent with the public interest, convenience and necessity. Both parties aver that neither of these reasons exist as to the agreement they have negotiated and therefore, are very hopeful that the Commission shall approve their agreement.

Very truly yours,
