After review of the recommendation, it was determined that Rule 25-24.930 is not applicable. Instead, Rule 25-24.915 is. If you would, please remove Rule 25-24.930, Adequacy of Service, from the title and add Rule 25-24.915, Tariffs and Price Lists. FYI - This docket is being filed today. Thanks so much,
Dale
