RE: DOCKET NO. 001148-EI

On December 1, 2000 Florida Power & Light Company filed a Response in Opposition to Colonial Pipeline Company's Petition to Intervene in Docket No. 001148-EI. Inadvertently the cover letter stated it was to be filed in Docket No. 000007-EI instead of Docket No. 001148-EI.

The Petition itself has the correct Docket number. Please file Florida Power & Light Company's Response in Opposition to Colonial Pipeline Company's Petition to Intervene in Docket No. 001148-EI.

Very truly yours,

Matthew M. Childs, P.A.
