**Re: Docket No. 001228-TI
Call-4-Less**

Dear Ms. Byrnes:

This is a follow up to our telephone conversation concerning the above docket. The regulatory assessment fee (RAF) is due each year by January 30 for the previous year, unless the 30th falls on a weekend, then the due date is the next working day. For example, the 1999 fee was due January 31, 2000.

Commission records show that as of this date, the 1999 RAF has not been paid. The 1999 RAF return is attached. Please complete and return it along with a check for the past due amount in full. The RAF is .0015% of the company's total Florida gross revenues, or \$50.00, whichever is greater. However, if the company owes only the minimum amount and if the check is postmarked by December 26, 2000, the 1999 total is \$68.00 (\$50.00 fee, \$12.50 penalty, and \$5.50 interest). If the check is postmarked between December 27, 2000 and January 25, 2001, the interest increases to \$6.00, or a total minimum amount of \$68.50. Our records also show that the company has a RAF balance from 1998 in the amount of \$22.49 that needs to be paid. A copy of the audit is attached.

The Commissioners voted on this docket at the 12/05 Agenda Conference to impose a \$500 fine for failure to pay the RAF or cancel the company's certificate. At this point, the company has three options.

- (1) Cancel the certificate voluntarily - Pay all past due charges in full, pay the current year's RAF or provide a date certain that it will be paid (such as 30 days from the date of the Commission Order cancelling the certificate), and write letter requesting cancellation and reference the docket number. A copy of our rule is attached.

- (2) Do nothing - In this case, the company's certificate will be cancelled on the Commission's own motion. All outstanding RAFs, including penalty and interest charges, will be turned over to the Comptroller's Office for collection.
- (3) File a petition for a formal proceeding in the form provided by Rule 28-106.201, F.A.C., copy attached. This petition must be filed with the Commission **after** the Order is issued and within the protest period. The Order is scheduled to be issued by December 26, 2000. Rule 28-106.201(2)(g) states that the petition must include "A statement of the relief sought by the petitioner, stating precisely the action petitioner wishes the agency to take with respect to the agency's proposed action." This means that you may wish to propose a settlement. If you propose a settlement, the petition must include the following:
 - Docket number;
 - A check for the past due amount in full;
 - A statement that it has taken steps to prevent future late payments of the regulatory assessment fees and what those steps are; and
 - Make a specific monetary settlement.

Any settlement offer should be addressed to Ms. Blanca Bayó, Director, Division of Records and Reporting, Florida Public Service Commission, 2540 Shumard Oak Blvd., Tallahassee, FL 32399-0850. The proposed settlement amount should **not** be paid at this time, instead only the past due regulatory assessment fee, plus penalty and interest charges should be paid. The settlement amount, if approved by the Commission, will become due after the Commissioners vote on this issue.

If you file a timely petition proposing a settlement, a new Agenda Conference date will be scheduled. At that time, the Commissioners will vote on whether or not to accept your settlement offer. An Order will then be issued and the company will have 10 business days from the date of the Order to pay the settlement.

Since I had received a call from Anna-Marie Galvez after our conversation advising that the RAF had been paid, I researched this company further and found that Docket No. 001460-TX was opened on September 25, 2000 for nonpayment of the RAF for this company's ALEC certificate. The company mailed its 1999 RAF payment for the ALEC certificate on 09/29/00. This means that the company would also need to make a settlement offer on the ALEC docket to keep its certificate active. The company has a \$1.42 balance for the interest charge (attached) which would need to be paid.

FLORIDA PUBLIC SERVICE COMMISSION
Instructions For Filing Regulatory Assessment Fee Return
(Interexchange Company)

1. **WHEN TO FILE:** For companies which owed a total of \$10,000 or more of assessment fee for the preceding calendar year, this Regulatory Assessment Fee Return and payment must be filed or postmarked:

*On or before July 30 for the six-month period January 1 through June 30, AND
On or before January 30 for the six-month period July 1 through December 31.*

For companies which owed a total of less than \$10,000 of assessment fee for the preceding calendar year, this Regulatory Assessment Fee Return and payment must be filed or postmarked:

On or before January 30 for the twelve-month period January 1 through December 31.

However, if July 30 or January 30 falls on a Saturday, Sunday, or holiday, the Regulatory Assessment Fee may be filed or postmarked on the next business day, without penalty.

2. **FEES:** Each company shall pay 0.0015 of its gross operating revenues derived from intrastate business, as referenced in Rule 25-4.0161(1), F.A.C. Gross Operating Revenues are defined as the total revenues before expenses. Gross Intrastate Operating Revenues are defined as revenues from calls originating and terminating within Florida. Do not deduct any expenses, taxes, or uncollectibles from these amounts other than the amount in Line 7.

On Line 7, deduct any amounts paid to another telecommunications company for the use of any telecommunications network to provide service to its customers. ***Do not deduct any taxes, federal subscriber line charges, interstate long distance access charges, or amounts paid for nonregulated services such as voice mail, inside wire maintenance, or equipment purchases/rentals. DEDUCTIONS MUST BE INTRASTATE ONLY AND MUST BE VERIFIABLE.***

3. **FAILURE TO FILE BY DUE DATE:** Failure to file a return by the established due date will result in a penalty being added to the amount of fee due, 5% for each 30 days or fraction thereof, not to exceed a total penalty of 25% (Line 10). In addition, interest shall be added in the amount of 1% for each 30 days or fraction thereof, not to exceed a total of 12% per year (Line 11). A Regulatory Assessment Fee Return must be completed, signed, and filed even if there are no revenues to report or if the minimum amount is due.

When a company fails to timely file a Regulatory Assessment Fee Return, the Commission has the authority to order the company to pay a penalty and/or cancel the company's certificate. The company will have an opportunity to respond to any proposed Commission action.

4. **EXTENSION:** A request for an extension of time up to 30 days may be made by filing the enclosed *Request for Extension to File Regulatory Assessment Fee Return* form (PSC/ADM-124), two weeks prior to the filing date. When an extension is granted, a charge shall be added to the amount due:

0.75% of the fee to be remitted for an extension of 15 days or less, or
1.5% of the fee for an extension of 16 to 30 days.

In lieu of paying the charges outlined above, a company may file a return and remit payment based upon estimated gross operating revenues. If such return is filed by the normal due date, the company shall be granted a 30-day extension period in which to file and remit the actual fee due without paying the above charges, provided the estimated fee payment remitted is at least 90% of the actual fee due for the period. An automatic 30-day extension to file an actual return may be obtained by checking the "Estimated Return" space in the top left-hand corner on the reverse side.

5. **FEE ADJUSTMENTS:** You will be notified as to the amount and reason for any fee adjustment. Penalty and interest charges may be applicable to additional amounts owed the Commission by reason of the adjustment. The company may file a written request for a refund of any overpayments. The request should be directed to Fiscal Services at the below-referenced address.
6. **MAILING INSTRUCTIONS:** Please complete this form, make a copy for your files, and return the original and in the enclosed preaddressed envelope.
