Re: Request to surrender certificates – Broadspan d/b/a Primary
Certificates granted: ALEC – 7445 (Company Code TX425)
IXC – 7376 (Company Code TJ348)

Dear Ms. Bayo:

Mpower Communications Corp. f/k/a MGC Communications, Inc. (“Mpower”) now owns Broadspan Communications, Inc. d/b/a Primary Network Communications (“Primary”). Because Mpower will be operating in Florida but Primary will not, Mpower seeks to surrender the Primary certificates of public convenience and necessity and have them cancelled.

Primary has no customers and no revenues in Florida.

Should you have any questions, I am available at:
