DOCKET NO. 001287-EI - Petition for approval of a special contract with IMC Phosphates Company for provision of interruptible electric service by Tampa Electric Company.

(Continued from previous page)

Issue 2: Should TECO's request that the special contract be made effective as of August 31, 2000, be granted?

Recommendation: No. If the Commission approves staff's recommendation on Issue 1, this issue is moot. However, if the Commission approves the special contract, it should take effect no earlier than the date of the Commission vote and should be subject to renewal only with Commission approval.

**NO VOTE**

Issue 3: Should TECO's emergency motion for interim implementation of the special contract with IMC for interruptible service be granted?

Recommendation: No. TECO's motion is moot because the primary case to which it relates is being heard at this agenda.

**APPROVED**

Issue 4: Should this docket be closed?

Recommendation: If no person whose substantial interests are affected by the proposed agency action files a protest within 21 days of the issuance of the order, this docket should be closed upon the issuance of a Consummating Order.
