RE: Florida Public Utilities Company, Fernandina Beach Water Limited Proceeding

Dear Ms. Bayo:

Florida Public Utilities Company has enclosed for filing an original and fifteen copies, of the revised tariff sheets for our Fernandina Beach Water Division. The tariff sheets enclosed should be used for "informational purposes only"; disregard the previously filed tariff sheets on December 19, 2000.

In reference to our Limited Proceeding Exhibit "C" previously filed on December 19, 2000, we did not adjust for repression due to the limited historical information currently available and the close timing of our recent rate proceeding. It is also our belief that repression would be immaterial and accordingly was not considered.

Please let us know if you or your staff have any questions or require any additional information. Thank you.

Sincerely,

*Cheryl M. Martin*
