TO WHOM IT MAY CONCERN:

Enclosed please find my regulatory assessment fee per your request.

Please be advised that WCE Communications has discontinued operation of its payphone service business effective with the date of this letter.

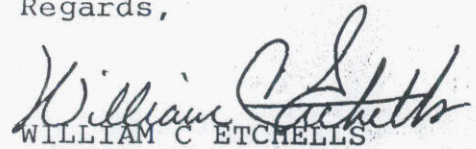

Two important factors caused me to discontinue my payphone business. They are:

- a. Declining payphone revenues
- b. A continuing increase in vandalism at each of my payphone sites.

These two factors combined with increasing maintenance costs hastened the end of my payphone business. It simply became too expensive for me to operate!

I have already cancelled my payphone service with BELLSOUTH and I am selling all of my payphone equipment.

Regards,
