ORDER APPROVING AMENDMENT TO EXISTING  
RESALE AGREEMENT

BY THE COMMISSION:

On October 24, 2000, BellSouth Telecommunications, Inc. (BellSouth) and EFS, Inc. (EFS) filed a request for approval of an amendment to the existing Resale agreement pursuant to 47 U.S.C. §252(e) of the Telecommunications Act of 1996 (the Act). The amendment to the existing agreement is incorporated by reference herein. A copy of the amendment to the existing agreement may be obtained by contacting our Division of Records and Reporting.

Both the Act and Chapter 364, Florida Statutes, encourage parties to enter into negotiated agreements to bring about local exchange competition as quickly as possible. Under the requirements of 47 U.S.C. § 252(e), negotiated agreements must be submitted to the state commission for approval. Section 252(e)(4) requires the state to reject or approve the agreement within 90 days after submission or it shall be deemed approved.

The existing agreement governs the relationship between the companies regarding the resale of tariffed telecommunication services. Under 47 U.S.C. § 252(a)(1), the agreement shall include

a detailed schedule of itemized charges for interconnection and each service or network element included in the agreement. The agreement states that telecommunications services provided by BellSouth for resale will be available for purchase by EFS as specified in the agreement.

Upon review of the proposed amendment to the existing agreement, we believe that it complies with the Act; thus, we hereby approve it. BellSouth and EFS are also required to file any subsequent supplements or modifications to their agreement with the Commission for review under the provisions of 47 U.S.C. § 252(e).

We note that EFS does not currently hold a Florida certificate to provide alternative local exchange telecommunications service, and therefore, it cannot provide alternative local exchange telecommunications services under this agreement until it obtains a certificate from this Commission. (IF COMPANY DOES NOT HAVE ALEC CERTIFICATE)

Based on the foregoing, it is
