Re: Docket #001493-TX

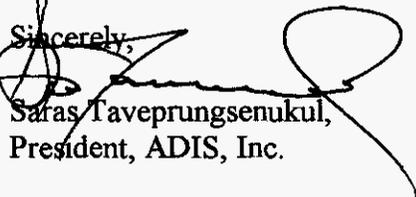

Dear Ms. Isler:

We received your letter dated December 15, 2000 from Mr. Don Killen and would like to apologize for the confusion, but until we asked Don for his copy of the October 24th letter, we were unaware that the commission wanted anything more than our payment on the 1999 RAF return.

ADIS sold its assets to a company called Vertecall Communications, Ltd. in June of 2000 and Mr. Killen became an employee of that company. It was our understanding that Vertecall Communications would file a separate application with the Public Service Commission and notify ADIS when the application was approved so that we could cancel the license. Don Killen provided us with the 1999 tax form without your letter in late October 2000 and we made the payment as listed on the form. On December 1, 2000, Vertecall Communications, Ltd. filed for protection under Chapter 7 of the Bankruptcy Act apparently never having filed an application with the commission. As a result, Mr. Killen forwarded your letter and the Public Service Commission file to us on December 19th.

Now that we have both of your letters, we would like to voluntarily cancel our license effective immediately. As was mentioned in the October 24th letter, we acknowledge that we will owe the minimum regulatory fee for the year 2000 since we did not provide any billable services. We will be glad to pay the fee if you will notify us whether a printed form will be provided to us in January 2001 or whether we can use a copy of the return we filed previously to make the 2000 tax payment. We ask that you waive the fine of \$500 for the 1999 filing in light of the circumstances listed above and the fact that we have voluntarily elected to cancel the license.

If you have any questions, please call me at (850) 244-2388 or fax me at (850) 664-6212.

Sincerely,

Saras Taveprungsenukul,
President, ADIS, Inc.

Re: Docket No. 001493-TX

Dear Mr. Killen:

On November 3, 2000, the Commission received Advanced Digital's 1999 Regulatory Assessment Fee Return, along with its check for the minimum amount, including statutory penalty and interest charges. I had written you on October 24, 2000 outlining the company's options. My letter requested that you let me know the company's decision by November 8, 2000. As of this date, the Commission has not received the company's request for a voluntary cancellation or a settlement offer.

Accordingly, it is my intention to go forward with a recommendation to fine Advanced Digital \$500 unless we receive a request for cancellation or a settlement offer by January 2, 2001. If you have any questions, just let me know. I can be reached at (850) 413-6502-voice, (850) 413-6503-fax, and by internet e-mail at pisler@psc.state.fl.us.
