RE: DOCKET NO. 961236-GU - Petition for approval of Firm Transportation
Supplier Aggregation (FTA) service rider by Peoples Gas System, Inc.

Gentlemen:

Please be advised that my company would like to be noticed on any "proposed agency action" with regard to the above docket. We are a consulting company specializing in natural gas matters and as such, our clients need to be advised of matters that effect their natural gas purchases.

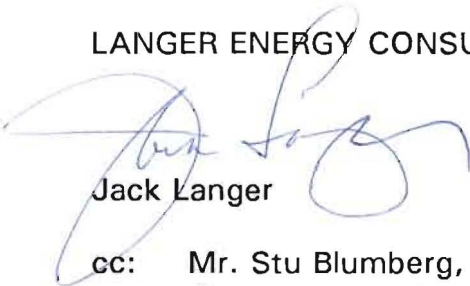

We wish to receive notice of and participate at the Commission's agenda conference when discussion on this docket is heard.

The above described docket, and in particular the aggregation portion, does have a significant bearing on many of our clients. In particular, it effects many of the hotels and motels in Florida that may be able to use third party gas supplies only by an aggregation process. Because of Peoples Gas onerous volumetric threshold, most of Florida's hotels and motels are restricted from purchasing more competitively priced third party natural gas.

Your assistance in this matter is appreciated.

Sincerely,

LANGER ENERGY CONSULTING, INC.
