Appropriate staff members will be advised.

Dear Mr. Badders:

Per our phone conversation, it is my understanding that Gulf Power is not required to submit a Standard Offer Contract at this time. I would expect that Gulf will file a Standard Offer Contract in the future such that there is sufficient time for an open solicitation period prior to the in-service date of the avoided unit.

If you have any further questions or require any additional information, please contact me at (850) 413-6680.

Sincerely,
