Nope. That's why we put it in the order. The minute they modify the agreement being adopted, it becomes a negotiated agreement.

We didn't title it as an adoption because it wasn't apparent to us (nothing in the cover letter, though I now see it in the agreement)-- shouldn't the title reflect it's an adoption? Looks like we need to make some corrections in CMS.

This is one of those dockets that start as an adoption and then turn into an agreement because of a modification to the adopted agreement. Therefore we include that language in the order to sort of explain why there is an agreement on the file with the name of another company.

Kim, in the first paragraph of this order, the second sentence mentions an agreement approved by the Commission 11/8. What does that sentence and the next have to do with this docket?
