Nancy, what do you think we should do with this letter advising us of credit agreement?

000746-TI is a related name change docket. I couldn't find them under 360networks, but did find them using the Order Number. Worldwide Fiber Networks, Inc. (TJ315) is the company pre-name change.

Nancy is handling the name change for the above docket. I have given her the letter. It is really only informational and no action is necessary as far as I am concerned. Maybe you can associate it with the above docket or just leave it undocketed. Touch base with Nancy and see how she would like it handled since she is actively working with the company.

Take Care,

Toni

It isn't broken, but it is still tender. I stayed off of it completely for 3 days using ice and heat packs. My body is sore from trying to catch myself. I guess I used muscles that rarely get challenged. :) I will be wobbly for a few more days. I really appreciate eveyones help in RAR. I was really kinda out of it when I was down there. Please tell Matilda and Kay thank you for me. I think the ice they gave me significantly reduced the initial swelling.

When I get 360Networks letter, I will call them and let you know what I find out.

Hi Toni. I forwarded a copy of the letter to you and placed the original in the undocketed file. Please advise what if anything else we need to do with it. Thanks.

How is your foot?

I don't even think 360Networks is a Certificated company. I not even sure why they would be sending the PSC a pending credit agreement. Someone needs to call the company and figure out what their intenentions are behind the filing. I would be glad to do that if I could get a copy of the letter.

Well, since it was addressed to Blanca, we'll DN it put in the undocketed and when Toni comes back she can tell us if we need to do anything further and send her a copy also. Thanks Jackie.

Hopefully, Toni will be back on Monday. Could you hold it until Monday? If not, just send it to us and we'll figure out what to do with when she gets back.

Hi Jackie. I didn't know if Toni would be here today after her accident yesterday, so I thought I'd better check with you on this. Can you help me?

Hi Toni. How is your ankle and hand? We have a letter from 360network notifying Commission of pending execution of a credit agreement. What should we do with this?
