Okay. We will of course need something from the company since what they filed is incorrect.

Hi Kay,

You should go ahead and correct the docket title using cert. 96-W for Tangerine and include the "amendment of Cert. 84-W" in the docket title".

We received an application for transfer of Cert 84-W from Tangerine Water to FWSC. However, 84-W is FWSC's cert in Orange County. Tangerine's is 96-W. Is it possible they have given us the wrong cert # to be transferred? Shall we use 84-W in the docket title since that is how the app was presented and correct it once FWSC submits a corrected app?

Also, would it be correct to title this as a transfer of facilities and Cert 96-W from Tangerine to FWSC in Orange Co, and cancellation of Cert 96-W?
