DOCKET NO. 000108-GU

Dear Sirs:

Having reviewed the Notice dated July 28, 2000 mailed by the Central Florida Gas Company, I was struck by the blatant inconsistencies by which they seek to justify a 10.87% across-the-board rate increase.

They provide four "general reasons for the request for [the] increase." The first "reason" was a loss of customers; the fourth was customer growth. If there had been a difference in the amount of the rate increases requested for each type of customer, one might presume that there could be some justification. However, as it is, it appears that the company is just rubbing our noses in it. More customers mean higher rates – and fewer customers mean higher rates. Sure.

As a retired Federal regulator, let me assure you that such a condescending, public-be-damned attitude would not have been appreciated or allowed. Dare I hope that it won't be in Florida either?

Sincerely,

Richard N. Tedrick

Dear Mr. Tedrick:

Re: PSC Docket No. 000108-GU - Request for rate increase by Florida Division of Chesapeake Utilities Corporation.

Dear Mr. Tedrick:

Thank you for your recent letter concerning the rate increase requested by the Florida Division of Chesapeake Utilities Corporation, which operates as Central Florida Natural Gas Company. Customer comments are an integral part of the Commission's analysis of the utility's rate request. A copy of your letter has been placed on the correspondence side of the official docket file for the Commissioners and all parties to review.

A customer service hearing is scheduled to be held in Winter Haven at 12:00 noon, August 31, 2000, at the John Fuller Auditorium, City Commission Chambers, 451 3rd Street NW. This information should be included in the notice that you received and referenced in your letter. If you desire, you may voice your concerns to the Commissioners at this hearing. The Commission will conduct an administrative hearing in Tallahassee on October 16, 2000, and is tentatively scheduled to make its final decision at an agenda conference to be held in Tallahassee on January 2, 2001. The Commission will base its decision on the evidence in the record from all customer service hearings and from the October 16, 2000, administrative hearing.

If you have any questions, please contact me at (850) 413-6193.

Sincerely,

To Whom it may concern -

I don't have a problem with a reasonable rate increase. What I do have a problem with is the customer charge going from \$7.00 to \$15.00. My total gas bill a month, except for when it is cold, only averages \$13.00 a month. I think the customer charge increase is excessive!! Maybe so from \$7.00 to \$8.50 but not more than doubling.

Thank You for Your time,

Debra Long

DIVISION OF CONSUMER AFFAIRS

My GAS bills HAVE INCREASED to a point that I thought they should be checked by you.

I spoke to one of your OPERATORS AT YOUR OFFICE, & she SAID to MAIL the Bills to you & you would look into it.

CENTRAL FLORIDA GAS SENT ME A NOTICE OF INCREASE IN THE COST OF GAS, BUT they SEEM to be CHARGING a lot MORE THAN THE FLORIDA public SERVICE COMMISSION AGREED to.

I AM sending you the NOTICE that they sent me & you CAN SEE the bills ARE much higher than they should be.

CENTRAL FLORIDA GAS COMPANY

NOTICE OF INTERIM RATES

On May 15, 2000, Central Florida Gas Company (the "Company") filed a request with the Florida Public Service Commission in its Docket No. 000108-GU for approval to increase annual revenues by \$1,826,569 and requested that interim rates be put into effect pending final action on the permanent increase.

On July 11, 2000, the Commission suspended the permanent increase request and granted an interim increase of \$591,579, subject to refund, effective for billings rendered for meter readings on and after August 10, 2000, until the Commission established permanent rates. The overall interim increase of 10.87% was allocated to all customer classes of Central Florida Gas Company, as directed by the Commission.

The interim increase is spread in equal increases (excluding gas costs) for all customer classes, except Special Contracts that have previously been approved by the Commission.

The total base rate revenues produce the following interim multipliers for each rate classification.

<u>Service Class</u>	<u>Percent Increase</u>
Residential	10.87%

Commercial Large Volume	10.87%
Industrial	10.87%
Industrial Interruptible	10.87%

Interruptible Transportation	10.87%

Monthly increase to individual customers, including gas costs where applicable, may vary from the average due to usage as shown below:

<u>Service Class</u>	<u>Dollar Increase</u>
Residential (20 therms)	\$ 1.77

We have a problem with 13532-00, where the exhibits overwrote the transcript.

To correct the record as best we can, please:

- 1) Take the word version of the TR and pdf it (give it a unique name).
- 2) Append the pdf'd exhibits to the end of the pdf'd word transcript and rename it to overwrite the exhibits-only pdf.
- 3) Add to the description: [CLK Note: The available transcript is a word version of the transcript that was filed and does not contain the Certificate of Reporter signature or inserted prefiled testimony pages, if any.]
- 4) Please file these instructions in the Correspondence folder, for historical purposes.

Thank you.
