2. Seating

Staff should be seated at an elevated platform in front of the audience if at all possible. A raised bench such as we have at the Commission is best. A table may only be used if the front and sides are covered with a modesty skirt. Folding tables with an open front are appropriate only when using a modesty skirt.

A separate podium or table to one side of and facing the staff bench (away from the audience) is required for witnesses.

A second table or bench on the opposite side of the staff bench from the witness podium is required for the court reporter. If a fixed bench is not available, a table may be used provided the front and sides are covered as described above.

The meeting set up should appear as shown below:

EFFECTIVE: 02/01/90

3. Public Address System

A minimum of two microphones, one for staff and one for the witness, is required. The public address system should be sufficient to ensure that the audience can hear what is being said in normal speaking voices.

NOTE: If it is impossible to secure a location that meets all of the above criteria, the Bureau OPR should notify the Bureau Chief immediately and arrangements made for the staff to take with them whatever equipment is needed (e.g., privacy skirts for tables, public address system)
