We don't need to document number this note, since we corrected the docket title so it would read like the filing. Just print a copy of this note (with my addition) and send to the file without a document number.

Well, actually that has been changed per a phone call from LEG/Pena yesterday. Do we need to document this note to put in the file?

The title for this docket needs to be changed. The title should be changed to reflect that ITC[^]Deltacom is adopting the GTEFL and Intermedia Interconnection agreement. It currently reads the Verizon and Intermedia Interconnection agreement. The change needs to be made because although GTEFL has officially changed their name to Verizon we cannot alter the title of previously existing GTEFL agreements to reflect the name change because at the time of their approval Verizon did not exist.

THANKS.
