Based on Chirs' response, I have placed this docket in monitor status to allow the company to process refunds ordered by Order PSC-99-0691-FOF-SU (and pursuant to Ralph's 12/15/00 letter to Attorney Cowdery).

Marshall, Please file a revised CASR by 1/26/01 to monitor the refunds.

Thanks!

I've been looking at the documents in this docket and see that the 1st DCA has issued a mandate and opinion in Case No. 1D99-1666.

QUESTIONS:

1. Does this settle the appeals in this case?
2. Is the docket now ready to go into a status other than Litigation?
3. Should OPR be changed to another division? If yes, LEG or ECR?
