Please be advised that due to a request made by the pre-hearing officer the Commission's decision on Hernando County's Motion to Dismiss (Motion) will be determined by the full Commission at the February 9, 2010 Agenda Conference. As such, staff's recommendation on this Motion will be filed with the Commission Clerk (and thus, available on the CMS system) on January 28, 2010. It is my understanding that we had tentatively scheduled a follow-up teleconference in this docket on January 29, 2010. It is my opinion that we should push back this teleconference until after the determination made at the February 9, 2010 Agenda Conference. If you have any questions regarding this matter or the information contained herein, please do not hesitate to contact me at 850.413.6220.
