**Little Sumter Utility Company**

Dear Sir or Madam:

As the Florida Public Service Commission's designated agent in such matters, and as a signatory on the above-referenced escrow account, I hereby authorize you to release \$231.00 from the account to Little Sumter Utility Company. I have enclosed a copy of the Company's Request to Release Funds from Escrow, dated January 8, 2001, and a copy of Commission staff's authorization for release of the indicated amount pursuant to Commission Order No. PSC-96-1132-FOF-WS.

Please do not hesitate to call if you have any questions concerning this matter.

Sincerely,

Blanca S. Bayo

**FROM:** SALLY MONIZ, DIVISION OF ECONOMIC REGULATION  
ROSANNE GERVASI, DIVISION OF LEGAL SERVICES  
**RE:** REQUEST BY LITTLE SUMTER UTILITY COMPANY TO RELEASE FUNDS FROM ESCROW ACCOUNT

---

By Order No. PSC-96-1132-FOF-WS, issued in Docket 960305-WS on September 10, 1996, the Commission directed Little Sumter Utility Company to establish an escrow account that can only be used to fund conservation programs approved by the Southwest Florida Water Management District. The order required that a request to release funds from the escrow account be accompanied by an explanation of the specific use of the funds and documentation that the funds will be used to further a conservation program approved by the water management district.

On December 11, 2000, the utility filed the attached Request to Release Funds from Escrow. According to the Request, the utility expended \$231.00 on a newspaper advertising program targeted at reducing water consumption. Along with this request, the utility provided copies of the newspaper advertisements, the invoices and the Proof of Publication from The Daily Sun Newspaper. These advertisements have been approved by the Southwest Florida Water Management District. The attachments are being retained in the Division of Economic Regulation for our future reference.

Accordingly, the utility's request to release funds from the escrow account should be authorized. Pursuant to the escrow account, the bank will disburse funds to the utility upon written instructions from the Commission through the Director of the Division of Records and Reporting. Therefore, we request that you provide written instructions to Citizens First Bank to release \$231.00 from the escrow account to Little Sumter Utility Company.

**REQUEST TO RELEASE FUNDS FROM ESCROW**

LITTLE SUMTER UTILITY COMPANY ("Little Sumter"), by and through its undersigned officer and pursuant to Order No. PSC-96-1132-FOF-WS, requests the Director of the Division of Records and Reporting to provide written instructions to the Citizens First Bank ("Bank") to release \$231.00 from the escrow account held in such Bank, and in support thereof states:

1. Order No. 96-1132-FOF-WS established an escrow account to be used to pay for conservation programs targeted to make customers reduce their consumption.
2. Little Sumter has expended the following amounts of money on a newspaper advertising program targeted at reducing water consumption:  
  
Daily Sun Newspaper – December 2000 advertising \$231.00
3. Copies of invoices are attached as Composite Exhibit "A".
4. Copies of the newspaper advertisements and the dates of publication are attached hereto as Exhibit "B".
5. Pursuant to the Escrow Agreement, the Bank shall disburse funds to Little Sumter upon written instructions of the FPSC, Director of Division of Records and Reporting.
6. The newspaper conservation advertisements have all been previously reviewed by the Southwest Florida Water Management District.

WHEREFORE, Little Sumter requests the Director of Records and Reporting provide written instructions to the Bank to pay \$231.00 from the escrow account to little Sumter.

Respectfully submitted on this  
8th day of January, 2001, by:

## **HOW TO SAVE WATER IN THE BATHROOM**

The toilet isn't a waste basket. We shouldn't flush away facial tissues, etc. The toilet is the biggest water glutton in the house, accounting for 40 percent of water use in the home. Toilet dams or specially designed water-displacing bottles and bags can reduce the amount of water flushed, as can those state-of-the-art water-conserving toilets.
