RE: T1849 WORLDtel Interactive Incorporated, Docket #001253-TI
FL Interexchange Company Regulatory Assessment Fee Return

Dear Ms. Bayo,

Paula Isler of Florida's Public Service Commission requested via email on Friday, December 29, 2000, an amendment to Worldtel Interactive's settlement offer to include the following:

Worldtel Interactive waives its right of objection to the administrative cancellation of its certificate in the event its offer is accepted and we fail to comply with terms we have offered. All other elements of Worldtel Interactive's previous settlement offers are reaffirmed.

As per my discussion with Ms. Isler, the above statement was included per your email from Florida's Commissions Legal Division. As we discussed, the first sentence of this legal statement is understood to be that if Worldtel's settlement offer is approved for the fair settlement fine of \$100, and Worldtel does not pay it, then Worldtel waives its right to object to the administrative cancellation of their certificate for the state of Florida. Other elements of Worldtel's settlement offer are confirmed.

If you have any questions, you may reach us via email on joyce@worldtel.com, mail or fax on (310) 392-4619.

Sincerely,

Joyce L. Chow
