On 1/12 we received a letter giving notice of intent to abandon proposed agreement in this closed docket. We will re-open the docket. It will need to go to agenda and have an order issued vacating the earlier order. (See Docket 991799-TP as an example of a similar occurrence.)

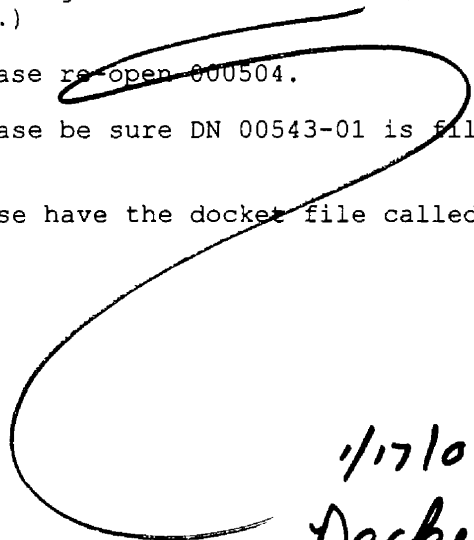

Sandy, please re-open ~~000504~~.

Linda, please be sure DN 00543-01 is filed in 000504. Use this e-mail to re-open the docket.

Hong, please have the docket file called back from Archives.

Thanks.

Kay
