The existing agreement governs the relationship between the companies regarding physical collocation, local interconnection and the exchange of traffic pursuant to 47 U.S.C. § 251. The agreement states that collocation space will be provided for Interloop in BellSouth's Central Offices and telecommunications services provided by BellSouth for resale will be available for purchase by Interloop. Rates for the collocation space and telecommunications services are set out in the schedules included in the agreement. Under 47 U.S.C. § 252(a)(1), the agreement shall include a detailed schedule of itemized charges for interconnection and each service or network element included in the agreement.

Upon review of the proposed amendment to the existing agreement, we find that it complies with the Act; thus, we hereby approve it. The Commission's approval of this agreement should not be construed as a determination that BellSouth has met the requirements of Section 271 of the Act. BellSouth and Interloop are also required to file any subsequent supplements or modifications to their agreement with the Commission for review under the provisions of 47 U.S.C. § 252(e).

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that the amendment to the existing interconnection, unbundling, resale and collocation agreement between BellSouth Telecommunications, Inc. and Interloop, Inc., is incorporated by reference in this Order, and is hereby approved. A copy of the amendment to the existing agreement may be obtained as specified in the body of this Order. It is further

ORDERED that any supplements or modifications to this agreement must be filed with the Commission for review under the provisions of 47 U.S.C. § 252(e). It is further
