RE: Docket No. 001442-TP - Request by BellSouth Telecommunications, Inc. for approval of collocation agreement with DIECA Communications, Inc. d/b/a Covad Communications Company.

At the December 19, 2000, Agenda Conference, the Commission approved the collocation agreement as a Consent Agenda Item in the above mentioned docket. Since the vote, however, staff has determined that technicalities exist within the agreement that require further review. Staff will be filing a recommendation for the February 6, 2000, Agenda Conference to address action to be taken in light of this determination.

For the reason described above, the Order approving the collocation agreement due to be filed on January 8, 2001, will not be issued. Upon the disposition of this matter at the February 6 Agenda Conference, an order consistent with the Commission's decision will be issued.

Should you have any questions concerning this memorandum, please contact Wayne Knight at (850) 413-6232.
