 RECORDS AND REPORTING

On December 22, 2000, MCIWorldcom Communications Inc. and Verizon Services Group filed a negotiated agreement to amend their Florida interconnection agreements on behalf of their ALEC and ILEC affiliates. Subsequently, by letter dated January 10, 2001, Verizon Services Group advised the Commission that the December 22, 2000, document had been filed in error. The aforementioned December 22, 2000, filing was in fact an internal policy letter describing methodology for future negotiations procedures.

Therefore, since no Commission action is necessary, pursuant to Section 2-07.1 C.5(d), APM, staff requests that this docket be closed.
