Executive Business Centers, Inc. (Executive Business Centers) obtained Certificate No. 5272 on January 1, 1998, to provide Interexchange Telecommunications (IXC) service. Administrative Code, the form and applicable fees are due to the Florida Public Service Commission by January 30 of the subsequent year. Executive Business Centers was scheduled to remit its RAFs by January 31, 2000.

After this docket was opened, on November 16, 2000, an Executive Business Centers' representative, contacted our staff and advised that the past due amount would be paid, and Executive Business Centers would propose a settlement offer. On December 18, 2000, we received the 1999 RAFs, including accrued statutory penalties and interest charges, and a settlement proposal. Executive Business Centers offered to contribute \$100 to the State General Revenue Fund, and proposed to pay future RAFs on a timely basis.

We believe that the terms of the settlement agreement represent a fair and reasonable resolution of this matter. Accordingly, we hereby accept the settlement offer. Executive Business Centers must comply with these requirements within ten business days from the date this Order becomes final. The contribution should be identified with the docket number and the company name. Upon timely receipt, the contribution will be forwarded to the Office of the Comptroller for deposit in the State General Revenue Fund pursuant to Section 364.285(1), Florida Statutes. Executive Business Centers has waived any objection to the administrative cancellation of its certificate if it does not comply with its settlement agreement. Upon remittance of the \$100 contribution or cancellation of the certificate, this docket shall be closed. The Commission is vested with jurisdiction over this matter pursuant to Sections 364.336 and 364.285, Florida Statutes.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that Executive Business Centers, Inc.'s settlement proposal set forth in the body of this Order is hereby approved. It is further
