RE: Docket # 001207-TI

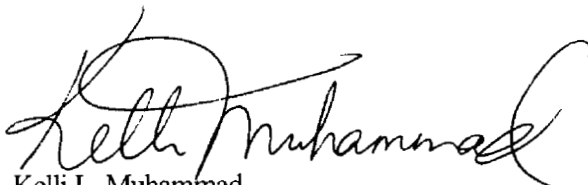

Dear Ms. Bayo:

I am writing to letter in an attempt to amend my January 11, 2001 letter. In that letter I stated that it was Group Long Distance, Inc.'s desire to have the \$100.00 payment applied to the company code TX143. However, that was incorrect.

Please apply \$50.00 to the company code TX143 and \$50.00 to the company code TI402. I apologize for any inconvenience this might have caused.

If there are any questions, please feel free to call or write.

Respectfully submitted,

Kelli L. Muhammad
Research Analyst

The company and docket number is correct. Their 1/11 settlement letter (DN 00840-01) stated that the \$100 payment should be applied to TX143. However, Admin advised me that when the \$100 payment was originally received, it had two RAF forms attached, \$50 to TX143 and \$50 to TI402 (Eastern is owned by Group). Therefore, I called Kelli and told her that she needed to double check and amend her 1/11 settlement accordingly. That is apparently what the new letter is doing. Let me know if you need further information. Thanks.

We have a letter from Telecom Compliance Services that references this docket. It is supposed to amend a 1/11 letter. It asks that we apply \$50 to TX143 and \$50 to TI402. I am confused! Neither of those co codes applies to Docket 001207 (that company code is TI033).

I do see, however, in Docket 971023 that there was a "transfer of control" and one of the companies involved had a company code of TI402--and the other company was Group Long Distance (TI033).

Can you help?

I'll be in late in the morning but will leave the letter in question with Matilda in the event you need to see it. We haven't document numbered it yet.

Thanks.

Kay
