Dear Mr. Moses:

I support the Purpose Rule 25-24-517, to establish criteria for the location of pay telephones for the general public's use. I am aware that this effort will reduce the incidences of pay telephones being installed in unlawful areas.

If you have any questions or concerns, please contact my office at (407) 836-5860.

Sincerely,

Homer L Hartage
County Commissioner
District 6
