RE: Docket No. 010084-TL – Approval of an Interconnection Agreement Negotiated by BellSouth Telecommunications, Inc. (“BellSouth”) and Sprint Communications Company Limited Partnership pursuant to Sections 251, 252 and 271 of the Telecommunications Act of 1996. (This agreement is a stand-alone interconnection agreement for the provision of the High Frequency Spectrum UNE, Unbundled Loop Modification and 8XX Ten Digit Screening Service.)

Dear Mr. Bayo:

On January 22, 2001, BellSouth and Sprint Communications Company Limited Partnership filed a Stand Alone Interconnection agreement for Florida Public Service Commission approval. The subject of the cover letter of the filing was styled as referenced above. The cover letter did not correctly present the subject, and it should be changed.

Please use this letter to correctly style the submittal and the Docket title as **“Approval of an Interconnection, Unbundling Stand Alone Agreement Negotiated by BellSouth Telecommunications, Inc. (“BellSouth”) and Sprint Communications Company Limited Partnership pursuant to Sections 251, 252 and 271 of the Telecommunications Act of 1996. (This agreement is a stand-alone interconnection agreement for the provision of the High Frequency Spectrum UNE, Unbundled Loop Modification and 8XX Ten Digit Screening Service.)”**

I would appreciate your assistance in correcting the filing and record in question.

Yours truly,

Regulatory – Vice President

(ak)
