**RE:** Docket No. 000649-TP, Petition by MCIMetro Access Transmission Services LLC and MCI WorldCom Communications, Inc. for arbitration of certain terms and conditions of a proposed agreement with BellSouth Telecommunications Inc. concerning interconnection and resale under the Telecommunications Act of 1996.

---

On January 25, 2001, staff filed a recommendation in the above named docket. The recommendation was originally scheduled to be heard at the February 6, 2001 agenda conference, but because of the complexity and the time required to address the recommendation, the item was deferred and a special agenda has been set for February 21, 2001.

Subsequent to filing the recommendation, staff discovered that clarifying text on two specific issues and recommendation statements would more accurately reflect their intent. Staff has attached the "revised" pages to this memo, and requests that these specific pages be inserted as replacements into the original document. Said modifications are the only changes to the original recommendation, and they are:

- Page 1 Revised cover sheet dated 2/6/2001
- Page 173 Verbiage change is shaded and struck through, new text is shaded and underlined
- Page 175 Verbiage change is shaded and struck through, new text is shaded and underlined
- Page 198 Verbiage changes are shaded and struck through, new text is shaded and underlined
- Page 201 Verbiage changes are shaded and struck through, new text is shaded and underlined
