RE: DOCKET NO. 001809-TP - Implementation of 711 Access for Telecommunications Relay Services.

Issue 1: Should the Commission order all certificated telecommunications companies to provide 711 access to telecommunications relay service by August 1, 2001?

Recommendation: Yes. The Commission should order all certificated telecommunications companies to provide 711 access to telecommunications relay services by August 1, 2001. The local telephone companies should use the 800 number, 800/955-8771, to translate 711 calls.

VOTE SHEET

FEBRUARY 6, 2001

DOCKET NO. 001809-TP - Implementation of 711 Access for Telecommunications Relay Services.

(Continued from previous page)

Issue 2: Should the Commission order all telecommunications providers that bill end users for local service to include a billing insert with the bill the customer receives immediately prior to the August 1, 2001 implementation date, notifying the customer that 711 access is available effective August 1, 2001?

Recommendation: Yes. All telecommunications companies that bill customers for local service should be ordered to include a bill insert that informs the customer that 711 access to relay services will be available effective August 1, 2001.

**APPROVED**

Issue 3: Should this docket be closed?

Recommendation: No. This docket should remain open pending any protest filed within 21 days of the issuance of the Order by a person whose substantial interests are affected by the Proposed Agency Action. If no protest is received, the order will become final and effective upon the issuance of a consummating order.
