Last chance to look before we return it to AT&T...Want to look at it or should we return it?

Subject: undocketed confidential filing

Melinda, we received a filing in 2000 from AT&T described as "Prototype of proposed billing format produced as follow-up response to request from Commissioner Jacobs and staff regarding implementation of NARUC Truth-in-Billing Resolution." The document was filed as undocketed and as confidential.

Is it okay to return this document to AT&T? Is there someone else on staff that I should direct this question to?
